Glen Iron, Pennsylvania

The Glen Iron Pilgrim Holiness Church traces its beginning to tent meetings held by the Rev. Jordan E. Wolfe in Glen Iron and Laurelton, PA in 1918. The first congregation started out with five little girls. By the end of the tent meeting the attendance had grown to 60 people.

On the last Sunday, 11 people were baptized in Penns Creek while several hundred people witnessed the scene.

On October 12, 1918 a band of 30 members organized a church in the home of Irvin Shively. The group was known as the Apostolic Holiness Church and worshipped in homes until a church building was erected. The first pastor was Rev. Francis Lishman.

In 1919 ground was purchased for \$41.00 and a church building was purchased at Rising Springs for \$375.00. It was taken apart completely and shipped to the Glen Iron area; work was begun to rebuild the church. On June 5, 1921, the church was dedicated.

Church. An addition of Sunday School rooms was added in 1976. New pews and carpet were installed in 1983. In 1986, a new ceiling was put in the sanctuary. A new roof was put on the church in 1996 and the vestibule was enlarged. In 1998, a new sound system and sound room were installed in the church. In 2003 we added a ramp and railings to the entrance of the church; the parking lot was expanded and repaved.

Our mission statement is "To exalt Jesus Christ, to encourage the church body to learn, share, and grow in faith. It is our purpose and desire to minister to the spiritual and physical needs in our surrounding communities."

We have an excellent Sunday School staff, children's church workers, and an active youth group.

We have a benevolence fund from which we can draw to assist in needs that arise in our community.

God has blessed our pastor, Rev. Paul Sickler, his family, and our church body as he has faithfully shepherded the congregation for the past 24 years.
